

2017 Pool Pass Policy

The pool pass system was created to prevent people who do not live in Magnolia Ridge from gaining access to our pool. This is to help ensure the safety of our families, the proper treatment of our facilities, and maximize the benefit to our homeowners.

- No one will be permitted in the pool area without a pool pass with a 2017 sticker.
- Each household may receive one pass/sticker for each family member living in the home.
- Each household also receives two (2) visitor passes/stickers.
- Pool passes issued starting in 2010 were PERMANENT passes to be used every year. Households are only issued ONE pass per resident, so **DO NOT DISCARD YOUR PASSES at the end of the pool season.** Each year a sticker is affixed to the pass showing the year the pass is valid.
- First time registrations will receive new permanent passes.
- Replacement passes will cost \$5 each. If you have lost your passes, you must register by mailing the enclosed form and include a check made out to "Magnolia Ridge".
- As children (12 or under) are not permitted at the pool without parental supervision, it is the responsibility of the homeowner to safeguard their pool passes.

You will not receive pool passes or stickers if your Association assessment dues are not paid in full. Contact accounting at 378-5000 x218 if you have questions about your account. Once you have paid any delinquent dues you must then register for passes/stickers.
