the greater amount of ten dollars (10.00) or ten percent (10%) of the assessment amount due. Moreover, if any assessment, or any installment thereof, is not paid within thirty (30) days after the date upon which it is due, the Association may bring an action at law against the Lot Owner personally obligated to pay the same and initiate proceedings to foreclose the lien against the Lot Owner’s property to which it attaches. Such properly executed certificate of the Association regarding the status of assessments against a Lot in Magnolia Ridge shall be binding upon the Association as of the date of the issuance. If the Association does not deliver a properly executed certificate within fourteen (14) days after receipt of written request therefor and after payment of the fee by the requesting party, the Association shall have been deemed to
certify that no assessments are past due with respect to such Lot and that the Lot Owner is not otherwise in default in the performance of any obligation to the Association. Nothing contained in the foregoing sentence shall be deemed to be a covenant for the benefit of a Lot Owner, and an error made by the Association or delay by the Association in the making or delivery of such certificate shall not estop the Association as to the Lot Owner or preclude the exercise of any right or remedy against the Lot Owner. The certificate described in this Section shall not be deemed a substitute for the disclosure statement, which the Association is required to prepare pursuant to the Act.

Section 13. Subordination of the Lien to Mortgages. Except as otherwise provided by the Act or other applicable statute, the lien of the assessments provided for herein shall be subordinate to the lien of any and all Mortgages and the lien for real estate taxes. Sale or transfer of any Lot subject to assessment shall not affect the assessment lien, but, rather, the grantor and grantee shall be jointly and severally liable for the payment of the assessment secured thereby. A Mortgagee shall not be liable for any lien for assessments arising prior to a foreclosure. If the sale or transfer of any Lot subject to assessment pursuant to foreclosure of a first mortgage or deed of trust or any proceeding in lieu thereof extinguishes the lien of such assessments as to payments which became due prior to such sale or transfer, the personal obligation of the Lot Owner whose Lot was subject to the lien shall not be extinguished or otherwise affected. No sale or transfer shall relieve such property from liability for any assessments thereafter becoming due or from the lien thereof.

(d) In no event shall the insurance coverage obtained and maintained by the Association's Board of Directors hereunder be brought into contribution with insurance purchased by individual Lot Owners, occupants, or their Mortgages.

(e) The Association’s Board of Directors shall be required to make reasonable efforts to secure insurance policies that will provide for the following.

(i) a waiver by the insurance of its rights to subrogation as to any claim against the Association’s Board of Directors, its manager, the Lot Owners, and their respective tenants, servants, agents, and guests;

(ii) a statement that no policy may be canceled, invalidated, suspended, or subject to nonrenewal on account of the conduct of any director, officer, or employee of the Association or its duly authorized manager without prior demand in writing delivered to the Association to cure the defect and the allowance of a reasonable time thereafter within which the defect may be cured by the Association, its manager, any Lot Owner, or Mortgagee;

Bonds shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation and shall require at least thirty (30) days' prior written notice to the Association of any cancellation, substantial modification, or non-renewal.

Section 4. **Individual Insurance.** By virtue of taking title to property within Magnolia Ridge subject to the terms of this Declaration, each Lot Owner covenants and agrees to carry blanket all-risk casualty insurance on the Lot Owner's property and structures constructed thereon meeting the same requirements as set for in Section 2 of this Article. Each Lot Owner further covenants and agrees that upon any partial loss or damage and destruction resulting in less than total destruction of structures upon the Lot Owner's Lot, the Lot Owner shall proceed promptly to repair or reconstruct the damaged structure in a manner consistent with the original construction or such other

If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and
detailed estimates of the cost of repair or reconstruction or both, are not made available to the Association within the sixty (60) day period, then the period shall be extended until such information shall be made available provided, however, such extension shall not exceed an additional sixty (60) day period, then the period shall be extended until such information shall be made available, provided, however, such extension shall not exceed an additional sixty (60) days. This Article and the Magnolia Ridge Standards, as defined in Section 1 of this Article, may not be amended without the Declarant's rewritten consent so long as the Declarant owns any property within Magnolia Ridge. No construction, which term shall include within its definition, staking, clearing, excavation, grading, and other site work, and no plantings or removal of plants, trees, or shrubs shall take place except in strict compliance with this Article, until the requirements thereof have been fully met and until the approval of the Architectural Review Board has been obtained.

Section 1. Architectural Review Board. The Architectural Review Board shall have jurisdiction over all original construction, modifications, additions, improvements or alterations made on or to all existing improvements and the open space, if any appurtenant thereto, on all property within Magnolia Ridge. Copies shall be available from the Architectural Review Board for review. The guidelines and procedures shall be those of the Association, and the Architectural Review Board shall have sole and full authority to prepare and to amend the Magnolia Ridge Standards. The Architectural Review board shall make the Magnolia Ridge Standards available to Owners, builders, and developers who seek to engage in development of or construction upon property within Magnolia Ridge, and such Owners, builders and developers shall conduct their operations strictly in accordance therewith. Section 2. No Waiver of Future Approvals. The approval of the Architectural Review Board of any proposals or plans and specifications or drawings for any work done on proposed, or in connection with any other matter requiring the approval and consent of such committee, shall not be deemed to constitute a waiver of any right to
withhold approval or consent as to any similar proposals, plans and specifications, drawings, or matters subsequently or additionally submitted for approval or consent.

Section 3. **Variance.** The Architectural Review Board may authorize variances from compliance with any of the provisions of the Magnolia Ridge Standards when circumstances such as topography, natural obstructions, hardship aesthetic, or environmental considerations require but only in accordance with duly adopted rules and regulations. Such variances may only be granted, however, when unique circumstances dictate and no variance shall (a) be effective unless in writing, (b) be contrary to the restrictions set forth in the body of this Declaration, or (c) prevent the committee from denying a variance in other circumstances. For purposes of this Section, the inability to obtain approval of any governmental agency, the issuance of any permit, or the terms of any financing shall not be considered a hardship warranting a variance.

Section 4. **Review and Control by Architectural Review Board.** No building, home, fence, garage, swimming pool, improvement, addition, (alteration, including change or paint color) or other structure of any kind shall be erected, placed or altered nor shall a building permit for such improvement be applied for on any unimproved property in Magnolia Ridge until two (2) complete sets of building plans (including elevations), specifications, exterior color and finish samples, site plan (showing the proposed location of such building, drives and parking areas), landscaping plan and construction schedule shall have been reviewed and approved in writing by the Architectural Review Board. In reviewing such materials, the Architectural Review Board shall consider such things as aesthetic appearance, harmony with surrounding improvements, compliance with this Declaration and any additional criteria...
adopted by the Architectural Review Board as part of the Magnolia Ridge Standards. Approval or disapproval of plans, locations or specifications may be based by the Architectural Review Board upon any ground incorporated within the Magnolia Ridge Standards including purely aesthetic considerations, which in the sole and uncontrolled discretion of the Architectural Review Board shall be sufficient. If approval of such plans and specifications is neither granted nor denied within thirty (30) days following receipt by the Architectural Review Board of written request for approval, the party making the submission for approval shall deliver written notice to the Architectural Review Board of its failure to act, and if approval is not granted or denied within fifteen (15) days thereafter, the plans and specifications shall be deemed to be approved.

Section 1. Charges for Violations. The Board of Directors shall have the power to impose reasonable changes for violations, which shall constitute a lien upon the property of the violating Lot Owner, and to suspend a Lot Owner's right to vote for violation of any duly imposed under this Declaration, the By-Laws, or any rules and regulations duly adopted thereunder; provided, however, nothing herein shall authorize the Association or the Board of Directors to limit ingress and egress to or from a Lot. If a timely challenge is not
made, the sanction stated in the notice shall be imposed. Such notice shall be deemed
given upon delivery, by hand or when mailed by registered or certified mail return
receipt requested to the violator at the address of record with the Association.

(b) **Hearing.** If a hearing is requested in a timely manner, the hearing shall
be held before the Board of Directors, or a committee thereof, affording the Lot Owner a
reasonable opportunity to be heard. Prior to the effectiveness of any sanction imposed
hereunder, proof of property notice shall be placed in the minutes of the meeting. Such
proof shall be deemed adequate if a copy of the notice, together with a statement of the
date and manner of delivery, is entered by the officer, Director, or agent who delivered

charges, the Declarant and the Association shall have the right to enforce all
restrictions, conditions, covenants, reservations, liens, and charges now or hereafter
imposed by the provisions of this Declaration as may be provided by law, including any
legal action or proceeding at law or in equity. Failure by the Declarant or the
Association to enforce any covenant or restriction herein contained shall not be
construed or deemed a waiver of the right to do so thereafter. In the event either the
Declarant or the Association seeks to obtain an injunction against a Lot Owner, it shall comply with §55-513 of the Act or its successor. Notwithstanding anything to the contrary herein contained, the Association, acting through the Board of Directors, may elect to enforce any provision of the Declaration, these By-Laws, or the rules and regulations of the Association by self-help (specifically including but not limited to, the towing of vehicles that are in violation of parking rules and regulations) or by suit at law or in equity to enjoin any violation or to recover monetary damages or both without the necessity of compliance with the procedure set forth above. In any such action, to the maximum extent permissible, the Lot Owner or occupant responsible for the violation of which abatement is sought shall pay all costs, including reasonable attorney's fees actually incurred.
ARTICLE XII
GENERAL PROVISIONS

Section 1. Amendments by the Declarant. The Declarant specifically reserves the right to exclusively amend this Declaration, or any portion hereof, without the requirement of obtaining consent of any Owner, during the Period of Declarant Control, so long as no such amendment dilutes the voting power of existing Members or raises the amount of assessments of such existing Members.

Section 2. Terms and Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a period of fifty (50) years from the recordation of this Declaration in the Clerk's Office after which the term or this Declaration shall be automatically extended for successive periods of ten (10) years, unless an approved instrument terminating this Declaration is recorded in the Clerk's Office. This Declaration may be amended or terminated at any time by an instrument approved by more than two-thirds (2/3) of the votes entitled to be cast by all of the members of the Association. Any amendment or termination of this Declaration to be effective must (i) be executed by the president of the Association and be attested to by the secretary of the Association, (ii) have attached to it the sworn affidavit of the secretary of the Association stating that the amendment was approved by the requisite number of votes of the members of the Association, and (iii) be recorded in the Clerk's Office.

Section 3. Declarant's Rights.

(a) Any or all of the special rights and obligations of the Declarant may be transferred to other parties, provided that the transfer shall not reduce an obligation nor
enlarge a right beyond that contained herein, and provided further, no such transfer shall be effective unless it is pursuant to a written instrument signed by the Declarant and duly recorded in the Clerk's Office. So long as the Declarant is a Member of the Association, no party shall record any declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument affecting any portion of Magnolia Ridge without Declarant's review and written consent thereto, and any attempted recordation without compliance herewith shall result in such declaration of covenants, conditions and restrictions, or declaration of condominium or similar instrument being void and of no force and effect unless subsequently approved by recorded consent signed by the Declarant. This Section may not be amended without the express written consent of the Declarant; provided, however, the rights contained in this Section shall terminate upon the earlier of (a) twenty-five (25) years from the date this Declaration is recorded, or (b) upon recording by Declarant of a written statement by which the Declarant terminates its rights hereunder.

(b) Declarant may designate a successor Declarant or declarants to take and hold some or all of its respective rights, powers, privileges and obligations as Declarant under this Declaration, by written instrument recorded in the Clerk's Office. The Association and the Owners shall not enjoy any of the rights, powers, privileges or obligations of the Declarant unless specifically granted or assigned by this Declaration or by written instrument executed by the Declarant and recorded in the Clerk's Office. The "Declarant's Utility Rights" shall continue to remain vested exclusively in the Declarant even after such time as the Declarant has conveyed some or all of its other rights, title and interest in and to the Lots and all other portions of the Property, unless
specifically assigned or conveyed as provided herein. The beneficiary of the first deed of trust given by the Declarant, encumbering undeveloped property and developed but unsold property subject to this Declaration, may, upon foreclosure of that deed of trust or upon receipt of title to the property encumbered thereby pursuant to a deed in lieu of foreclosure, succeed to any or all of the Declarant's rights under this Declaration but shall succeed to only any or all of the Declarant's rights under this Declaration, but shall succeed to only those rights of the Declarant which it elects to succeed to as specifically set forth in the trustee's deed or deed in lieu of foreclosure by which it or its nominee take title.

Section 4. **Exclusive Use of the Name "Magnolia Ridge".** The Declarant is the sole and exclusive owner of, and shall have the sole and exclusive right to use, the name "Magnolia Ridge" within, on or about and with respect to the property ventures, trade and housing within, conducted within or about, or located on any of the property within magnolia Ridge. No party shall use the name "Magnolia Ridge" in connection with any business, neighborhood or organization, nor shall the name "Magnolia Ridge" be placed on or incorporated in any sign or other visible medium without the prior written consent of the Declarant, which consent may be withheld by the Declarant in its sole discretion.

Section 5. **Severability.** Invalidation of any one of these covenants or restrictions by judgement or court order shall not affect any other provisions, which shall remain in full force and effect.

Section 6. **Interpretation.** Notwithstanding anything contained herein to the contrary, all the provisions of these covenants shall be subject to and conform with the
applicable provisions of the Zoning Approval for Magnolia Ridge. The Declaration shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia. To the extent this Declaration contains provisions relating to elements of, or property within Magnolia Ridge which are not presently a part of Magnolia Ridge, such provisions shall not be deemed applicable unless and until such time, if ever, that such elements or such property becomes a part of Magnolia Ridge by the annexation of such property or the construction of such elements, or both. However, all provisions which may initially be inapplicable but which become applicable at a later date upon the occurrence of a future event shall be deemed to have been applicable beginning on the date that this Declaration is recorded in the Clerk’s Office with the same priority as all provisions of this Declaration which are initially applicable.
ARTICLE XIII
SPECIAL FHLMC AND FNMA PROVISIONS

So long as required by the Federal Home Loan Mortgage Corporation, or the Federal National Mortgage Association, the following provisions apply in addition to and not in lieu of any other provisions in this Declaration. Unless at least two-thirds (2/3) of the Mortgagees or Lot Owners representing at least two-thirds (2/3) of the Association total votes entitled to be cast thereon consent, the Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell, or transfer all or any material portion of the real property comprising the Magnolia Ridge Common Area which the Association owns, directly or indirectly (the exercise of the Declarant’s Utility Rights and granting of easements for utilities or other similar purposes consistent with the intended use of the Magnolia Ridge Common Area shall not be deemed a transfer within the meaning of this subsection);

(b) Change the method of determining the obligations, assessments, dues, or other charges which may be levied against an Owner of a Lot (a decision including contracts, by the Board of Directors or provisions of any declaration subsequently recorded on any portion of Magnolia Ridge shall not be subject to this provision where such decision or subsequent declaration is otherwise authorized by this Declaration);

(c) By act or omission changes, waive, or abandon any scheme of regulations or enforcement thereof pertaining to the architectural design or the exterior appearance and maintenance of improvements on Lots and the Magnolia Ridge
Common Area (the issuance and amendment of architectural standards, procedures, rules and regulations or use restriction shall not constitute a change, waiver, or abandonment within the meaning of this provision);

(d) Failure to maintain insurance as required by this Declaration; or

(e) Use hazard insurance proceeds for any Magnolia Ridge Common Area losses for other than the repair, replacement or reconstruction of such property.

Mortgagees may, jointly or individually, pay taxes or other charges which are in default and which may or have become a charge against the Magnolia Ridge Common Area and may pay overdue premiums on casualty insurance policies or secure new casualty insurance coverage upon the lapse of an Association policy, and Mortgagees making such payments shall be entitled to immediate reimbursement from the Association.

IN WITNESS WHEREOF, the Declarant has caused this Declaration to be executed by duly authorized officers.

FOR WETLANDS
MAGNOLIA RIDGE SECTION ONE
HENRICO, VIRGINIA

THIS DECLARATION OF RESTRICTIONS, made this 2\textsuperscript{nd} day of October, 1995, by Atack Properties, Inc., owner and grantor (“Attack”).

WHEREAS, Atack Properties, Inc. is the owner of the property located in Henrico County, Virginia (the “Property”) more particularly described and Magnolia Ridge Subdivision Section I, as shown on the subdivision plat prepared by Jordan Consulting Engineers, P.C., dated June 5, 1995 and recorded in the Clerk’s Office of the Circuit Court of Henrico County, Virginia in Plat Book 101 as page 81 (the “Subdivision Plat”).

WHEREAS, Atack desires to impose on the Property a restrictive covenant expressing Atack’s intent to preserve a portion of the Property in perpetuity in its natural state, both floral and faunal, by prohibiting wetland destruction or alterations in the area designated as “Wetland Protection Area (Limits of Non-Tidal Wetlands)” as shown on the Subdivision Plat.

Now therefore this declaration witnesseth: Atack does hereby declare, covenant and agree, for itself and its successors and assigns, that the Property shall be hereafter held and sold subject to the following conditions restrictions, to-wit:

1. The area of the Property described as “Wetlands Protection Area (Limits of Non-Tidal Wetlands)” as shown on the Subdivision Plat shall be preserved in perpetuity in its natural state both floral and faunal, by prohibiting wetland destruction or alterations, building construction, additional of fill material, cultivation, or land clearing in the area designated as Wetland Protection Area (Limits of Non-Tidal Wetlands)”
(subject, however, to the exceptions set forth below). Additionally, the following activities shall be prohibited on the property designated as "Wetland Protection Area (Limits of Non-Tidal Wetlands)" as shown on the Subdivision Plat.

   A. Destruction or alteration of wetlands on the property other than those alterations authorized by the Norfolk District, U.S. Army Corps of Engineers and under permit number 95-E534-82;

   B. Construction or maintenance of buildings or mobile homes, however, by way of example and not limitation, structures such as Signage created by the Virginia Department of transportation or other governmental agency within public right of ways, boardwalks, foot trails, wildlife management structures, observation decks, picnic tables, fence posts (spaced in a manner as that neither the posts nor the fence itself prevents the natural movement of water) and preserves the natural contour of the ground;

   C. Ditching, draining, diking, filling, excavating, land clearing, blowing, removal of topsoil, sand, or other materials, and any buildings of roads or alteration in the topography and/or hydrology of the land in any manner, except as authorized by the United States Army Corps of Engineers and the Virginia Department of Environmental Quality, or the successors thereto.

   2. In addition to the reservation of rights contained in Paragraph 1 above, this Declaration of Restrictions is subject to the existing rights of easement holders in the "Wetlands Protection Area (Limits of Non-Tidal Wetlands)" as shown on the
Subdivision Plat, and to the future right of Atack and any successors in interest to a portion of the Property to grant easements, with respect to the portion owned, to utility companies including, but not limited to gas, electric, water, telephone, cable and fuel (collectively, the “Utility Companies”) for themselves and their successors-in-title, successors, assigns, agents, representatives, employees and contractors for the purpose of pedestrian and vehicular access under, over, through and across that portion of the Property owned and to construct and install, in whole or in part, utilities (the “Utilities”) and therefore to reasonably and necessarily maintain, use, repair and replace the Utilities.

3. The covenants contained herein shall not hereafter be altered in any respect without the express written approval and consent of the Norfolk District, U.S. Army Corps of Engineers.

4. The provisions hereof shall be deemed individual and severable and the invalidity or unenforceability of any one provision or any portion thereof shall not affect the validity or enforceability of any other provision hereof.

5. These covenants are to run with the land and shall be binding on all parties and persons claiming under them, provided, however, that any violation of this Declaration of Restrictions by an owner of a portion of the “Wetland Protection Area (Limits of Non-Tidal Wetlands)” as shown on the subdivision Plat shall constitute the violation by only such owner. This Declaration of Restrictions is subject to easements, conditions and restrictions of record as they may lawfully affect the Property.
